Verona, 26 July 2022
ERASMUS+ STUDENT MOBILITY FOR TRAINEESHIPS (SMT)
(Call for Applications, Art. 1)

The Erasmus+ EU programme allows students to undertake traineeships or work placement experiences at companies or public bodies, universities, research institutes, nonprofit organisations, NGOs, etc., based in any of the participating countries.
Please note!

Students must apply for the recognition of the CFU earned during the mobility within 30 days of their return date. For the purpose of calculating these credits, 1 CFU is awarded for every 25 hours of work carried out.

While respecting the laws of the specific destination country, students must earn at least 4 CFU for each month of the mobility, i.e. complete at least 100 hours of work each month.

(This is not mandatory for those who have already graduated or for III cycle students)
How long can an SMT traineeship last?

(Call for Applications, Art. 2)

• Duration: 2 - 6 months (in accordance with the Erasmus regulation, which sets out a total of up to 12 months abroad during each level of study, or 24 months for Second-cycle/Combined Bachelor+Master’s degrees (Laurea magistrale a ciclo unico).

Traineeships may take place from 1 September 2022 and must finish by 30 September 2023 at the latest.
Ways of the mobility period

- **physical**: the traineeship activities take place **in the destination country**, with the student physically present, or taking part remotely while staying in the destination country;

- **blended**: the traineeship activities take place **both remotely with the student taking part from home, and on site in the destination country** (the days spent abroad as part of the mobility must not be less than 60);

Please note that any blended mobility must first be agreed with Sending and Receiving organizations!
Attention!

The grant will be awarded only for the part of traineeship that is carried out on site, with the student physically present in the destination country abroad (at least 2 months/60 days).
Admission requirements
(Call for Applications, Art. 3)

• **Students** must be correctly enrolled for **full-time study** in a Bachelor’s degree, Master’s degree, Second-cycle/Combined Bachelor+Master’s degree, or PhD that is **administratively based at the University of Verona**.

• **Students** must have correctly and **fully paid their enrolment fees** at the University of Verona at the time of application and **for the entire duration** of their stay abroad.
GRADUATING STUDENTS:
• must submit their application for this Call at least one month before their graduation date;
• students must complete their SMT abroad within 1 year after their graduation.

PHD STUDENTS:
• must complete their mobility period by the end of the third year of normal enrolment;
• students enrolled in an extension year are not eligible to apply;
• PhD students who have a scholarship funded by the university or other bodies for the same mobility cannot apply for a grant under this Call.
Participating countries

- **Group 1** (Denmark, Finland, Iceland, Ireland, Liechtenstein, Luxembourg, Norway, Sweden)
- **Group 2** (Austria, Belgium, Cyprus, France, Germany, Greece, Malta, Netherlands, Portugal and Spain)
- **Group 3** (Bulgaria, Croatia, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Poland, Republic of Macedonia, Romania, Serbia, Slovakia, Slovenia and Turkey)

Please note: you can only apply for a SMT mobility in a country different from your country of residence
The amount of the grant is determined based on the ISEE band of the student: information about the student’s ISEE will be acquired from the INPS database.

Should this be unavailable, the amount of the grant will be automatically calculated based on BAND 2 (ISEE > €30,000).
**Amount of the mobility grant**

The amount of the grant varies depending on the cost of living in the destination country and the applicant’s financial situation (ISEE):

How to apply
(Call for Applications, Art. 5)

In the a.y. 2022/2023 it will be possible to apply for this Call
‘a sportello’

What does that mean?
Applications will be accepted during the entire academic year and considered in the order they are received until all the allocated funds (380 months available) have been assigned - applications must be submitted by the deadlines set out in the Call!
When to apply
(Call for Applications, Art. 5.2-3)

from 1 September 2022

to 30 September 2023

(= last possible day to validate the application)

Completed applications with all the **required documents attached** should be submitted **1-3 months before the start** of the intended mobility period

e.g.: Student X who wants to do a traineeship starting **on 1 April 2023** should submit the application **between 1 January 2023 and 28 February 2023** (2 months)
Graduating Students wishing to do the traineeship after completing their degree should submit their application 1-3 months before their graduation date.

For example: Student Y, who wants to do a traineeship starting on 1 May 2023, but is scheduled to graduate on 31 March 2023, should submit the application between 1 January 2023 and 28 February 2023.

When identifying the Host Organisation, students should check that the relevant national laws allow graduates to do unpaid traineeships.
The available months will be distributed in two different application submission windows:

• the **first 200 months from 28 July 2022 to 28 February 2023**;

• the **remaining 180 months** will be allocated to eligible applications received in the time window **from 1 March 2023 to 30 June 2023**.
Procedures
(Call for Applications, Art. 5)

- Students will need to access the online procedure through Esse3 (https://univr.esse3.cineca.it/Start.do) using their GIA username and password. PhD Students must use their student-GIA username and password.

- Select from the menu > Mobilità Internazionale (Programma Erasmus+) > Bando borse di mobilità Erasmus+ per tirocinio formativo a.a. 2022/2023

- Fill in the questionnaire with your personal data and complete the application form.
Attachments
(Call for Applications 5.4)

Only ONE file: *Learning Agreement for Traineeships*
(document containing your traineeship plan, which outlines contents and methods of implementation of the mobility)

This must be in **pdf format**, and **only** the "**Before the mobility**" (pag. 1 and 2) section must be **completed** and **signed by**:

- the **Student** (*Trainee*);
- the **Academic Tutor** (*Responsible Person* of the Sending Institution: academic staff member of the University of Verona, who provides students with assistance, approves and signs the Learning Agreement for Traineeships; also known as **Tutor**, for PhD Students);
- the **Tutor at the Host Organisation** (or **Supervisor**: contact person appointed by the Receiving/Host Organisation, in charge of supervising the traineeship. The Supervisor also signs the Learning Agreement and the final report).
Please note:

**PhD Students**
- must **attach** to their application form an **authorisation letter from their PhD Coordinator**.

**Non-EU applicants**
- must **attach** a copy of a **document** stating they are a “permanent resident” or “stateless” or a “refugee” and/or a copy of their **stay permit (carta di soggiorno or permesso di soggiorno)**, which should be current and preferably **valid for the entire duration** of their intended stay abroad;
- must ensure their papers are **completely in order before departing** (e.g. renewing their stay permit/visa, etc.) and **for the entire duration of the mobility period abroad**; otherwise the grant **must be revoked** and repaid.
The final step...

After completing the form and uploading the attachments, it is important to click on "CONFERMA DEFINITIVA e STAMPA RICEVUTA DI COMPILAZIONE" [confirm and print].

The automatically-generated PDF file should be sent to the International Office via Service Desk (Direzione Studenti > Mobilità Internazionale > Erasmus+ Traineeship)

PLEASE NOTE: your application will be regarded as valid for the purpose of the selection only once it has been correctly sent following the method above, or else it will be rejected!
Result of the Selection Process

Home page UNIVR > Job Vacancies > Students > Mobilità studentesca internazionale > Bando Erasmus+ per tirocinio formativo

A list of successful applications – including student ID, destination country, duration of the mobility period and amount of the awarded grant – will be made available on the website. The list will be regularly updated based on the complete applications (= with all required attachments correctly filled out) received
PLEASE PAY ATTENTION!
(Call for Applications Art. 5.5)

We remind to all the candidates that they may apply for a grant for **only one mobility under this Call for Applications**. If the attachments are incomplete, or incorrectly filled in or in formats different from those made available online, or if the registration procedures are not completed by the **deadlines** set out in the Call, the application will be rejected.

**Students are invited to check before submitting their application, that all the requirements set out for this selection procedure are met!**
Academic recognition - CFU credits
(1 CFU = 25 hours of work)*

Documents to be sent to the Internship and Internship Office at the end of the internship (or Job Placement for post-graduate internships)

Attendance sheet: a document containing information on the hours worked by the student, and a brief summary of the daily activities carried out; this must be carefully completed by the student and signed by the Tutor at the Host Organisation.

Final report by the student: a document outlining the general features of the traineeship, the trainee’s knowledge and skills improved, and any difficulties encountered; it is completed by the student at the end of the traineeship and must also be signed by the Tutor at the Host Organisation.

Final report by the Tutor at the Host Organisation: a document containing information on the activities carried out by the trainee, his or her conduct, and knowledge and skills acquired; the report is drawn up by the Tutor at the Host Organisation at the end of the traineeship.

Traineeship Certificate: a document which enables students to register in their academic record the CFU credits gained abroad. After having examined each student’s attendance sheet and his or her final report, as well as the report by the Tutor at the Host Organisation, the Academic Tutor will provide the student with a Traineeship Certificate.

* Not applicable to PhD students
Recognition of University Training Credits
(1 CFU = 25 hours)

1) the student who returns from abroad, within 30 days, sends an e-mail to the Internship and Work Placement Office, cc-ing the academic tutor, with which, in addition to informing about the end of the internship abroad, encloses the scans of the attendance sheet, of the report at the end of the internship and of the company tutor’s report at the end of the internship; in the same email the student must communicate how she/he intends to record the CFU acquired between CFUs for internship (taf F/S), CFUs at choice (taf D) and unused CFUs;

2) the Internship and Work Placement Office, after having verified the correct completion of the documents submitted, in compliance with the Learning Agreement Before the mobility, and any changes communicated, responds to the student alternatively as follows:
- to correct and return the document (s) in the event of a discrepancy in the completion;
- in case of correct completion, will send the documents via e-mail to the academic tutor, cc-ing the student, so that she/he can evaluate the success of the experience and authorize the registration of the CFU;

3) the academic tutor, after having read the documentation, verified the success of the internship and the achievement of the training objectives, replies via e-mail to the internship office, and in cc to the student, who agrees to the recognition of the CFU for the experience;

4) the Internship and Work Placement Office forwards to the Teaching and Student Services Unit the teacher’s answer and the student’s proposal regarding the registration of the CFU;

5) the Teaching and Student Services Unit proceeds with the recognition of the CFUs in the digital “libretto” following the instructions of the Internship and Work Placement Office.
