#### THE RECTOR

**Given** Law 30/12/2010 no. 240, and in particular Art. 22-ter;

**Given the** "Regulations for the Awarding of Postdoctoral Positions Contracts", issued by Rectoral Decree no. 8267-2025 of 31/07/2025;

**Given** the request of the Director of the Department of Computer Science of Prot. n. 442465 del 10/10/2025

And **having evaluated** every appropriate element;

#### DECREES

#### ART. 1 – SELECTION FOR AWARDING 1 (ONE) POSTDOCTORAL POSITION CONTRACT

This document announces the selection process **IdR09/2025** for the formulation of a ranking for the awarding of n. 1 postdoctoral position contract in the scientific-disciplinary group GSD INFO/01 in the scientific-disciplinary sector(s) SSD INF/01, IINF-05/A to perform the research on the topic:

**Design and implementation of an advanced blockchain-based solution for wood supply chain traceability** - POR24RIR\_VALORLEGNO con CUP: D19J24000800007

The research project involves the study, design, and implementation of an advanced system based on blockchain technology that will effectively support traceability within the wood supply chain. This system will rely on the combined use of smart contracts, cryptographic techniques, and zero-knowledge to ensure immutability, availability, and traceability. The system will also interface with existing information systems to extract existing data..

The postdoctoral position contract will have a duration of 15 months, with the possibility of extension in accordance with the law.

Admission to the selection process, and the selection procedure itself, are governed by the following Articles.

#### ART. 2 – REQUIREMENTS

For admission to the selection process referred to in Art. 1, potential candidates must fulfil the following requirements:

- a) Master's degree [obtained pursuant to art. 3, paragraph 1, letter n), Ministerial Decree 22 October 2004, no. 270], obtained no more than six years before the expiry date of this call for applications
- b) Possession of a scientific-disciplinary curriculum suitable for carrying out the research activity envisaged in this announcement;
- c) Other requirements: documented research and/or development experience in the disciplinary sector: IINF-05/A

Both Italian and foreign nationals are admitted to the selection process, as long as the latter have the equivalent qualifications or an ideal academic and professional background for the intended research. If a candidate has not applied for official recognition of equivalency in the Italian system for any

qualifications gained abroad, the suitability of their academic and professional background will be evaluated by the Selection Committee.

Foreign citizens must have an appropriate level of knowledge of the Italian language.

The following are not eligible to participate in the selection process:

- permanent staff employed by universities, public research institutions, and institutions whose advanced scientific qualifications have been recognized as equivalent to a doctoral degree pursuant to Article 74, paragraph 4, of Presidential Decree No. 382 of July 11, 1980;
- those who have held fixed-term research contracts pursuant to Article 24 of Law 240 of 2010, as amended by Legislative Decree No. 36/2022, converted into Law No. 79/2022;
- those who have a kinship or affinity relationship up to and including the fourth degree with a professor affiliated with Professors of the department who proposed the post-doctoral position, or with the Rector, the Director General, or a member of the University Board of Directors.

In order to be admitted to the selection process, potential candidates must meet the stated requirements at the time of the application deadline, provided for in art. 3 of this notice.

Exclusion from the selection process due to a lack of the necessary requirements is determined by a reasoned decree from the Rector, which will be notified to the interested party.

### **ART. 3 – APPLICATIONS AND RULES FOR SUBMISSION**

Applications should be printed on plain paper following the outline attached to this call for applications (appendix: Form A) and addressed to *Magnifica Rettrice dell'Università degli Studi di Verona – Via dell'Artigliere 8 – 37129 Verona*.

Applications may be submitted in the following way:

- sending the documentation in pdf format, to the e-mail address [ufficio.protocollo@pec.univr.it](mailto:ufficio.protocollo@pec.univr.it), within the peremptory deadline indicated above. The submission may also be made by an unaudited electronic mail address.

No other forms of application submission are admitted.

**All applications must be received by the strict deadline of 1 pm, 20 days after the call for applications is concurrently published in the Official University Register on the web page: <http://www.univr.it/it/albo-ufficiale>.** If the deadline falls on a public holiday, it will be postponed to the next working day.

Pursuant to Art. 76, Presidential Decree 445/2000 and aware of the criminal penalties for false statements, candidates must state in their application:

- 1) their name and surname;
- 2) their date and place of birth;
- 3) their permanent address, including street name, street number, city, province, postcode, telephone number, tax identification number and email address;
- 4) the number of the selection process in which they wish to participate;
- 5) their nationality;
- 6) that they have no prior criminal convictions, or otherwise report any criminal convictions (even if they have been granted amnesty, cancellation, pardon or legal pardon) or criminal proceedings against them;
- 7) that they have the required qualification as given in Art. 2 of this call for applications, and state the qualification, the date of achievement, the University where it was obtained and any grade obtained, for which the form attached B can be used.

Foreign nationals must also specify if their qualification, if it was awarded abroad, has received official recognition for equivalency to an Italian qualification and they must provide a copy of the title and its translation into Italian or English;

- 8) that they fulfil the other requirements specified in Art. 2 of this call for applications;
- 9) the domicile elected for the purposes of this selection;
- 10) that all the documentation attached to the application is compliant with the originals.

Administration does not assume any responsibility if the applicant is unable to be contacted or for the loss of documents due to errors in the address provided by the applicant, or for a failure to/delay in notifying a change of the address stated in the application, nor for any postal delivery errors or otherwise which are attributable to third parties, unforeseeable circumstances or force majeure.

In any case, any applications which are not signed or that, for any reason, including force majeure, are received by the University of Verona after the above mentioned deadline, will not be considered.

For the evaluation of qualifications and experience, candidates must attach to their application:

- 1) the candidate's scientific-professional curriculum vitae signed;
- 2) publications, up to a maximum of 3
- 3) copy of a valid identity document;
- 4) a list of the documents and publications attached to their application.

Administration reserves the right to perform checks to verify the truthfulness of substitutive declarations. If such investigations reveal that any declarations are false, the applicant will be excluded from any benefits they may have been awarded from provisions made on the basis of the false declaration, notwithstanding the provisions of Art. 76, Presidential Decree no. 445/2000.

Pursuant to Law no. 104 of 05/02/92, candidates with a disability must make a specific request in their application regarding any aid required, as well as any additional time that may necessary to complete the test.

The signature at the bottom of the application is not subject to authentication, in accordance with Presidential Decree no. 445/2000.

#### **ART. 4 – EXCLUSION FROM THE SELECTION PROCESS**

Candidates are admitted to the selection process under the condition that the Rector may with due reason exclude those who do not fulfil the selection requirements from the selection process at any time.

#### **ART. 5 – SELECTION COMMITTEE**

The Selection Committee, composed of three members and any substitutes (chosen from among professors and researchers and from subject matter experts) in accordance with the provisions of Article 6, paragraphs 1, 6, 7, and 8 of the Regulations referred to in the introduction, will be appointed after the deadline for applications. Its composition will be promptly announced via Rectoral Decree and will be made public through electronic publication on the website, available at the following link: <http://www.univr.it/it/albo-ufficiale>.

#### **ART. 6 – SELECTION PROCEDURE**

The selection will be based on the evaluation of qualifications, for which the Selection Committee has a maximum total of 100 points available for each candidate, distributed as follows:

• Master's degree	Max. points	40
• PHD	Max. points	10
• Academic publications (max n.3)	Max. points	15
• Work experiences in the research field	Max. points	20
• Other qualifications	Max. points	15
<b>TOTAL</b>	<b>points</b>	<b>100</b>

**The candidate's academic qualifications and experience must be related to the following fields:**  
**IINF-05/A Information Processing Systems**  
**INFO-01/A Informatics**

**The evaluation of qualifications will be at 10.00 am (Italian time) on 1th December 2025**  
**Department of Computer Science**

#### **ART. 7 – RANKING LIST**

The steps of the selection procedure, including the ranking list, shall be approved by Rectoral Decree. The ranking list will be concurrently published electronically in the Official University Register on the web page: <http://www.univr.it/it/albo-ufficiale>, in compliance with the principles of transparency and protection of personal data.

**The successful candidate for the research assignment will be contacted by the relevant Administration office to accept the assignment and submit the required self-certifications.**

In the event of a tie, preference will be given to the candidate belonging to the less represented gender among the candidates participating in the selection process and, secondarily, to the younger candidate.

The merit ranking is valid for 180 days from the date of approval of the ranking list.

#### **ART. 8 – CONTRACT SIGNATURE**

The Research Area – Doctoral Programs and Research Contracts Unit will invite the successful candidate to sign the postdoctoral position contract via email. The contract must be signed by the deadline indicated in the email. The interested party may request a justified deferral, provided that the deferral is compatible with the research activity being performed. Failure to sign within the deadline will be considered a renunciation of the position and will result in the candidate being removed from the ranking list.

#### **ART. 9 – NATURE OF THE CONTRACT**

The postdoctoral position is a fixed-term employment contract

The total annual amount of the postdoctoral position, net of administrative burden, is € 29.184,00, to be paid to the recipient in deferred monthly instalments. The salary is not subject to indexation or revaluation and it is subject to current tax and social security regulations.

The employment relationship established between the University of Verona and the postdoctoral appointee is governed by the applicable provisions, including tax, welfare, social security, and insurance coverage for employment income.

The University provides insurance coverage against accidents at work and occupational diseases and for third-party liability.

Postdoctoral positions do not confer any right of access to University positions.

Post-doctoral positions are incompatible with:

- a) any other employment relationship, including part-time or fixed-term, at public or private entities;
- b) holding research grants, including at other universities or public research institutions;
- c) holding research contracts pursuant to Article 22 of Law 240/2010, including at other universities or public research institutions;
- d) holding research positions pursuant to Article 22-ter of Law 240/2010, including at other universities or public research institutions;
- e) holding fixed-term researcher contracts pursuant to Article 24 of Law 240/2010, including at other universities or public research institutions;
- f) holding doctoral research scholarships or other scholarships, awarded for any reason by national or foreign institutions, except when these are for international research mobility.

The postdoctoral position is not compatible with attending bachelor's degrees, master's degrees, PhD, or medical specialization programs, in Italy or abroad. The postdoctoral position entails unpaid leave of absence for employees working in public administrations.

Without prejudice to the above, the postdoctoral appointee may not, in any case, carry out activities that could create a conflict of interest with the University's activities or that prevent the proper conduct of the research activity.

#### **ART. 10 – SAFEGUARD PROVISIONS**

For any matters not provided for by this announcement, please refer to the University's Regulations for the post-doctoral position contracts, Article 22-bis of Law No. 240/2010, and applicable laws, where applicable.

The University of Verona is the owner of the processing of the personal data of the participants in the selections, pursuant to EU Regulation 2016/679; detailed information on the purposes of the processing, recipients of the data and exercise of the data subject's rights is available on the University's institutional website: <http://www.univr.it/it/privacy>.

This call for applications shall be publically published in the electronic Official University Register on the web page: <http://www.univr.it/it/albo-ufficiale>.
