

SUMMARY NOTICE

ANNOUNCEMENT OF PUBLIC COMPETITION FOR N. 1 CONTRACT OF COLLABORATION TO SUPPORT THE SCIENTIFIC ACTIVITIES CONNECTED TO THE PROJECT “FUNCTIONAL ASSESSMENT, TRAINING OPTIMIZATION, AND PERFORMANCE IN ELITE ATHLETES”

Description

“Università degli Studi di Verona” launches an open competition, based on qualifications and work to date, for n.1 contract of collaboration to support the scientific activities connected to the project “Functional assessment, training optimization, and performance in elite athletes”. The successful candidate is expected to collaborate with Ce.Ri.S.M.’s researchers to the identification of specific topics of main interest and improving strategies for quality and quantity of scientific production, promotion of international relations and identification of financing’s form for the activities performed.

Duration of the contract: 12 months from the date of subscription

Estimated starting date: November 15th, 2023

Gross remuneration, inclusive of all taxes: € 25.000,00

Payment terms: quarterly

Scientific Director responsible for the activity: prof. Federico Schena

Activity venue: Ce.Ri.S.M. “Mountain, Sport and Health” Research Center – Rovereto (TN)

Deadline for applications: October 31st 2023 at 12:00 PM (Rome time)

Information about the selection procedure can be found below. Candidates are invited to read the official announcement (Bando) and to follow exclusively its detailed instructions

Requisites

To apply to the competition, the following requirements are mandatory, and their absence will result in the exclusion of the candidate from the competition:

- Master’s degree
- to have a Ph.D. in medical sciences, exercise sciences, sports sciences, or related fields

Additional Requirements whose possession constitutes a preferential qualification

- proven professional expertise in scientific research on endurance and winter sports

UNIVERSITÀ
DI TRENTO

How to apply

Application forms in plain paper must be written according to the form enclosed in the competition notice ("allegato A" for internal employees/ "allegato B" for externals) and addressed to the Ce.Ri.S.M.'s director.

In order to apply to the call, candidates must send the application form **by and not later than 12:00 PM (Rome time) of October 31st, 2023**

Application forms must be submitted online in PDF format, by Posta Elettronica Certificata (PEC) / Registered Electronic Mail (REM) at the following email address: ufficio.protocollo@pec.univr.it within the fixed deadline. The application sent from a non-certified email address will also be considered valid.

The message should state in the object field: "**incarico di prestazione d'opera riguardante attività scientifica nell' ambito del progetto: "Valutazione funzionale, ottimizzazione dell'allenamento e della prestazione negli atleti di élite" presso il Ce.Ri.S.M.** " (*Assignment for scientific work related to the project: "Functional assessment, training optimization, and performance in elite athletes" to be conducted by the Ce.Ri.S.M.*)

The application form must enclose:

- a. qualification
- b. curriculum vitae
- c. any other documentation that the candidate deems useful to demonstrate possession of the required requirements.

Any application forms not signed or incomplete or sent after the deadline will be excluded from the competition procedure.

Evaluation Criteria

The evaluation criteria are as follows:

- Master's degree: up to 10 points
- Ph.D.: up to 20 points
- Professional experience: up to 30 points
- Academic publications relevant to the activity covered by the announcement: up to 30 points

Preparation Of Rankings

After the deadline of October 31st 2023, the University's Selection Committee will meet to compile a general ranking, based on the mentioned evaluation criteria. Final results will be published on the University website after formal approval of the University Bodies (expected approval: end of December 2022)
