Your Eligibility Checks

By completing this application, the applicant is aware that, in case of false statements, forgery and use of false documents, they will lose any benefits obtained on the basis of the false declaration, and criminal sanctions for false statements and the creation of false documents shall apply. The applicant, having read the information made available by the University on the processing and protection of personal data (<https://www.univr.it/en/privacy-policy>), hereby authorises the processing and storage of their own personal data by the staff in charge of carrying out these procedures, for the sole purpose of this application.

Important information for students holding a foreign qualification:

EU citizens and Non-EU citizens legally residing in Italy: please register for the Eligibility Check. If the Check is successful, you will be able to proceed with your enrolment.

Non-EU citizens residing abroad: the University's administrative offices will take care of your registration for the Eligibility Check once they have received your pre-enrolment application from the relevant Italian Embassy/Consulate.

All students holding a foreign qualification who pass the Eligibility Check will need to check the suitability of their qualifications with the [International Student Desk](#).
