The fellow, reporting directly to (Principle Investigator) PI, will be responsible for:

- development of research protocols and standard operating procedures (SOPs) for the WPs in which UNIVR contributes and review of protocols and SOPs developed for the other WPs;

- ensuring adherence with national and European ethics standards;

- monitoring of the progress of the project, providing strategic supervision of the research activities and ensuring that the milestones, the deliverables and the results of the project are respected in accordance with the established timeline and the contractual requirements.

-coordinating scientific publications deriving from the project in accordance with the Grant Agreement contract and Consortium Agreement;

- contributing to the statistical analysis of surveillance data;

The research scholarship is for 12 months, with the possibility of renewal in accordance with the law. Admission to the selection process, and the selection procedure itself, are governed by the following Articles.

ART. 2 – REQUIREMENTS

For admission to the selection process referred to in Art. 1, potential candidates must fulfil the following requirements:

- a) Master’s degree [*Laurea Magistrale* awarded pursuant to Art. 3(1n), Ministerial Decree no. 270 of 22/10/04] or previous Master’s degree [*Laurea Specialistica* awarded pursuant to Art. 3(1b), Ministerial Decree no. 509 of 03/11/99] or previous Bachelor’s degree [awarded pursuant to the teaching systems prior to Ministerial Decree no. 509 of 03/11/99, at the conclusion of a study

programme at least 4 years in length], and a suitable academic and professional background for conducting research;

b) Knowledge of the following foreign language: English.

Both Italian and foreign nationals are admitted to the selection process, as long as the latter have the equivalent qualifications or an ideal academic and professional background for the intended research. (If a candidate has not applied for official recognition of equivalency in the Italian system for any qualifications gained abroad, the suitability of their academic and professional background will be evaluated by the Selection Committee).

Those with any relationship to, or ties with, a professor of the Director of the the Department of Diagnostics and Public Health , the Rector, the Director-General or any member of the university Board of Directors, up to the fourth degree inclusive, may not participate.

The scholarship may not be awarded to any permanent staff of universities, public institutions or public entities for research and experimentation, the National Agency for New Technologies, Energy and Sustainable Economic Development (ENEA) or the Italian Space Agency (ASI), nor to permanent staff at any institution whose advanced academic degree has been recognised as equivalent to a PhD pursuant to Art. 74(4), Presidential Decree no. 382 of 11/07/80.

In order to be admitted to the selection process, potential candidates must meet the stated requirements at the time of the application deadline. Failure to meet these requirements may result in the applicant being excluded from the selection process with due decree by the Rector.

ART. 3 – APPLICATIONS AND RULES FOR SUBMISSION

Applications, written on plain paper following the outline attached to this call for applications (appendix: Form A) and addressed to the Director of the the Department of Diagnostics and Public Health may be submitted in the following way:

- Sending the documentation in pdf format, to the e-mail address ufficio.protocollo@pec.univr.it, within the peremptory deadline indicated above. The submission may also be made by an unaudited electronic mail address.

No other forms of application submission are admitted.

All applications, by whichever of the above means they are submitted, must be received by the strict deadline of 1 pm, 20 days after the call for applications is concurrently published in the electronically on the web page: <http://www.univr.it/it/albo-ufficiale>. If the deadline falls on a public holiday, it will be postponed to the next working day.

In respecting this deadline, for applications sent by mail, the post office postmark date will not be regarded. Therefore, any applications received after the given deadline will not be considered in the selection process.

Pursuant to Art. 76, Presidential Decree 445/2000 and aware of the criminal penalties for false statements, candidates must state in their application:

- 1) their name and surname;
- 2 their date and place of birth;
- 3) their permanent address, including street name, street number, city, province, postcode, telephone number, tax identification number and email address;
- 4) the number of the selection process in which they wish to participate;
- 5) their nationality;
- 6) that they have no prior criminal convictions, or otherwise report any criminal convictions (even if they have been granted amnesty, cancellation, pardon or legal pardon) or criminal proceedings against them;

7) that they have the required qualification as given in Art. 2 of this call for applications, and state the qualification and the date and place where it was awarded.

Foreign nationals must also specify if their qualification, if it was awarded abroad, has received official recognition for equivalency to an Italian qualification;

8) that they fulfil the other requirements specified in Art. 2 of this call for applications;

9) not to have a degree of kinship or affinity, up to and including the fourth degree, with a professor belonging to the Department of Diagnostics and Public Health, with the Rector, the Director General or a member of the University Board of Directors;

10) the Skype contact through which the Selection Committee may possibly contact the candidate if he / she decides to use this platform for carrying out the videoconference interviews;

11) their contact address for the purpose of the application.

Administration does not assume any responsibility if the applicant is unable to be contacted or for the loss of documents due to errors in the address provided by the applicant, or for a failure to/delay in notifying a change of the address stated in the application, nor for any postal delivery errors or otherwise which are attributable to third parties, unforeseeable circumstances or force majeure. In any case, any applications which are not signed or that, for any reason, including force majeure, are received by the University of Verona after the above mentioned deadline, will not be considered.

For the evaluation of qualifications and experience, candidates must attach to their application:

- 1) a declaration in lieu of an affidavit regarding their qualifications gained (PhD and/or Master's degree or Bachelor's degree), stating the award date, the issuing university and any grade reported;
- 2) their academic and professional CV, publications and relevant qualifications as per Art. 6 of this call for applications;
- 3) a list of the documents and publications attached to their application.

The aforementioned documents must be submitted by the application deadline as plain paper photocopies accompanied by a statement that they are identical to the original. Alternatively, the candidate may produce a substitutive declaration reporting the important information contained in these documents. For this, candidates may use appendix Form B, also attaching a plain paper photocopy of their valid ID document.

Administration reserves the right to perform checks to verify the truthfulness of substitutive declarations. If such investigations reveal that any declarations are false, the applicant will be excluded from any benefits they may have been awarded from provisions made on the basis of the false declaration, notwithstanding the provisions of Art. 76, Presidential Decree no. 445/2000.

Pursuant to Law no. 104 of 05/02/92, candidates with a disability must make a specific request in their application regarding any aid required, as well as any additional time that may necessary to complete the test.

The signature at the bottom of the application is not subject to authentication, in accordance with Presidential Decree no. 445/2000.

ART. 4 – EXCLUSION FROM THE SELECTION PROCESS

Candidates are admitted to the selection process under the condition that the Rector may with due reason exclude those who do not fulfil the selection requirements from the selection process at any time.

ART. 5 – SELECTION COMMITTEE

The Selection Committee, made up of three members (lecturers or experts in the disciplinary sector related to the subject, or similar) as established by Art. 20(1b) of the Regulations referred to in the introduction, shall be constituted as follows:

• PhD/postgraduate specialization/certificate of attendance of post-graduate training courses.....	Max. points	15
• Academic publications	Max. points	5
• Curriculum.....	Max. points	15
• Other qualifications	Max. points	5
TOTAL	points	60

The interview will focus on the following topics:

- Advanced research management skills for health interventions and research,
 - Knowledge of the critical elements for the development and execution of clinical trials or other research studies, preferably in the area of infectious diseases;
 - Knowledge of GCP and applicable international data protection standards
- Quantitative and qualitative analytical and problem-solving skills may be presented

During the interview, the candidate's knowledge of English and Italian language will be checked.

To take part in the interview, candidates must provide a current, valid ID document.

Candidates who do not show an ID document or have only an expired ID document will not be admitted to the interview.

The interviews will take place in SEZIONE DI MALATTIE INFETTIVE, POLICLINICO G.B. ROSSI – P. le L.A. Scuro 10 37134 Verona (VR), Candidates can be summoned by the commission starting from 10 a.m. on January 13, 2022

Candidates, by selecting the appropriate option in the application form (appendix: Form A), may request to make the interview by videoconference. In this case, they will also have to indicate their Skype contact in the application form, which will be used by the Admissions Committee for the interview, and to guarantee the use of a webcam to allow the Selection Committee to identify them.

Considering the risk containment measures of the epidemiological emergency from COVID-19, the interview can be carried out electronically (via videoconference via Skype or other platform, at the discretion of the Commission of selection). Candidates must ensure that the device from which they will take the interview is equipped with a webcam, essential for recognition, and equipped with a microphone and headphones or audio speakers. The possibility for each candidate to attend the interview of the other candidates must be guaranteed. Failure / incorrect communication of personal contact details, failure to connect and / or unavailability of the candidate on the day and at the established time, or failure to show the identification document will be considered as renouncing participation in the interview, and therefore the selection, whatever it is the cause.

The results of the selection process will be communicated to the candidates by the Selection Committee after the interview.

The successful candidate is required to report to Research Fellowships Office, 1st floor, Cloister, Via San Francesco 22 - Verona - Tel. 0458028609, e-mail address: giovanni.baietta@univr.it, for the acceptance of the scholarship and the presentation of the required substitute declarations by 14 January 2022. The successful candidate, if unable to go to the Research Fellowships Office within the day indicated above, is requested, within this deadline, to contact the Research Fellowships Office, through and -mail to giovanni.baietta@univr.it, or by telephone by calling 00 39 0458028609, to define the procedure and timing to follow to send the necessary documentation for the activation of the research grant.

ART. 7 – RANKING LIST

The steps of the selection procedure, including the ranking list, shall be approved by Directorial Decree. The ranking list will be concurrently published in the Official University Register (Via dell'Artigliere 8, Verona) and electronically on the web page: <http://www.univr.it/it/albo-ufficiale>.

ART. 8 – CONTRACT

Research scholarships are awarded through the stipulation of a personal contract for research collaboration. Such contracts do not imply any form of employment and do not give the holder any priority for accessing permanent university positions.

Recipients who do not present themselves by the specified date, do not sign the contract or do not start the research at the determined time shall lose their right to the scholarship, except in cases provided for by the university's "Regulations for the Awarding of Research Scholarship Collaborations" referred to in the introduction.

The scholarship recipient's responsibilities are those established in the aforementioned University Regulations. In particular, the scholarship recipient shall collaborate on research regarding the project for which this call for applications was announced.

The total amount of the scholarship, net of administrative burden, is € 32.560,00 to be paid to the recipient in deferred monthly instalments.

Research scholarships are subject to taxation under the provisions of Art. 4, Law 476/84 and subsequent amendments and additions, as well as social security, under the provisions of Art. 2(26) and following of Law 335/95 and subsequent amendments and additions.

The University provides insurance cover of accidents related to conducting the research. The expenses are to be paid by the scholarship recipient and the premium is deducted from the scholarship amount. The University also provides cover for third party liability, the expenses being covered by the university.

Scholarships cannot be accumulated with other scholarships of any kind, except those granted by national or foreign institutions that are intended to contribute towards conducting a part of the recipient's research assignment abroad.

At the time of signing and for the total duration of the contract, scholarship recipients may not be employed, nor may they establish an employment contract, even temporary, with any private entity or public administration. Should they be already employed, a scholarship contract will not be stipulated unless the recipient is put on leave without pay by their employer by a date given by the University.

Provided they perform their assigned tasks, scholarship recipients may carry out professional activities or other independent work if this is authorised beforehand by the Board of the Department/Research Centre, having consulted with the academic supervisor, and provided that the activity:

- is compatible with conducting research activities;
- does not represent a conflict of interest with the specific research being conducted by the scholarship recipient;
- does not lead to prejudice to the University in relation to the activities being carried out.

Scholarship recipients may not attend Bachelor's, Master's or PhD programmes with a scholarship, nor medical specialisation programmes, in Italy or abroad.

ART. 9 – SAFEGUARD PROVISIONS

For matters not provided for by this announcement, please refer to the relevant applicable provisions insofar as compatible.

The information sent by candidates to apply for the selection process will be used exclusively for this procedure and any proceedings to allocate the scholarships in question, in compliance with the current legislation on the processing of personal data.

This call for applications shall be publically published in the Official University Register situated in Via dell'Artigliere 8, Verona, and at the same time posted electronically on the web page: <http://www.univr.it/albo-ufficiale>.
