Call for applications for pre-admissions and for the awarding of 50 student support and benefits for students holding a foreign degree.

Art. 1 – Pre-admissions

The University of Verona hereby announces a public selection for pre-admissions to International Master's degree programmes for students holding a foreign academic degree. Successful candidates will be provided with a "pre-admission letter" which will be necessary to start the enrolment procedures.

Art. 2 – Admissions requirements

1. Candidates must meet the following requirements in order to take part in the selection process:

- a Bachelor's degree (minimum), or foreign equivalent qualification;
- knowledge of the English language, as specified in Annex 1 for each degree programme;
- additional specific requirements may apply depending on each degree programme, as specified in Annex 1.

2. A foreign academic degree is considered suitable if its *curriculum* includes the knowledge and skills relevant to the subject areas included in the table of admissions requirements and evaluation criteria (Annex 1). The degree is considered suitable if it can be seen, by analysing the course of studies, that the programme provides the curricular education and necessary skills to admit the candidate to the specific Master's degree programme.

Students who are near to the completion of their degree programme may also apply, as long as they graduate by the date indicated for the specific programme in Annex 1.

3. Please note that admission requirements may vary depending on each Degree programme and the candidate's status (i.e. EU or Non-EU Student). Candidates are therefore recommended to **carefully read the relevant guidelines in the correct section of Annex 1** (see EU or Non-EU Students section).

Art. 3 – Applications

Applications in response to this Call must be made by completing the [online application form](#) attaching the following documents:

- copy of degree certificate, or a certificate of enrolment which states the expected completion date;
- academic transcript (in English) for the completed degree and for any postgraduate studies completed. This should include a list of all the modules/exams taken and, if possible, details of the ECTS credits gained, the weighted average, and reference range for minimum and maximum marks;
- CV with all studies included, written in English (max. 2 pages);
- cover letter (max. 2 pages, where requested);
- certificate of English language competence, or other language certificates (where required);
- other specific qualifications or documents relevant to the application (optional).

Art. 4 – Pre-admissions - selection procedure

The Teaching Committee of each Master's degree programme will check the applications received and consider only those which meet all the requirements specified in Article 2. Candidates will be informed via e-mail about the results of the selection procedure for pre-admissions by the dates – specific for each programme – set out in [Annex 1](#).
