

Come installare ed attivare la propria copia di MATLAB (Student)

Creazione dell'account MathWorks

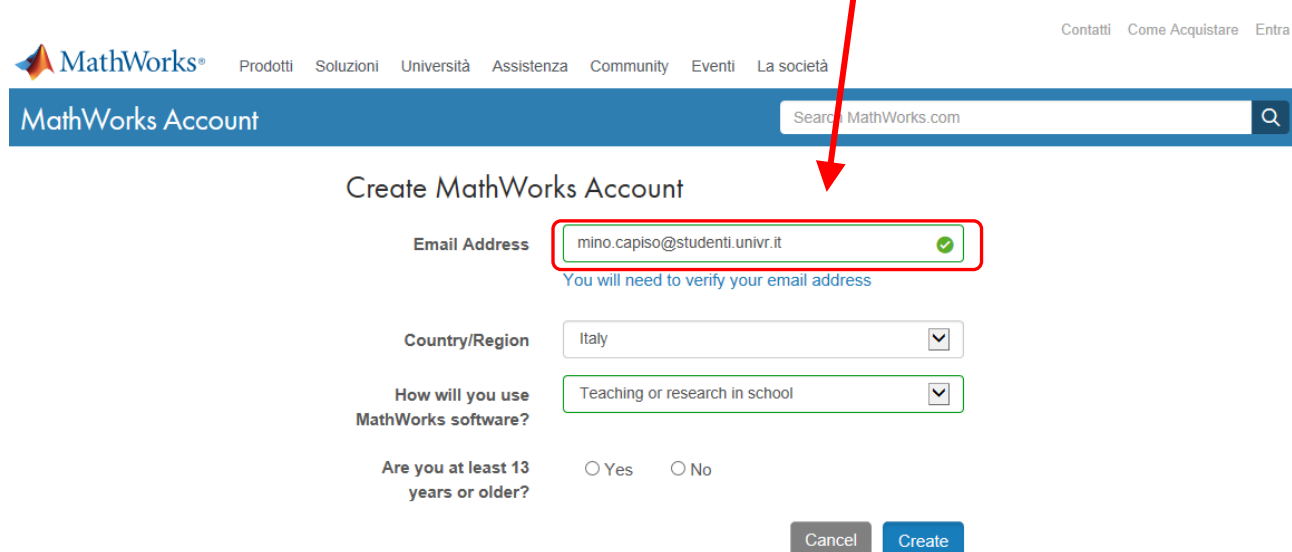

- Andare all'indirizzo <http://www.mathworks.com>
- Cliccare sul tab "Entra":

- Creare un nuovo account nella pagina di Login:

- inserire la propria email universitaria (nome.cognome@studenti.univr.it),
- selezionare la nazione e l'opzione "Teaching or research in school"

- completare l'immissione dei dati personali e scegliere una password.

Associazione della licenza

- Una volta autenticati con il vostro MathWorks account cliccare su “View My Licenses”:

The screenshot shows the MathWorks Account dashboard for user Mino Capiso. The navigation bar includes links for 'Prodotti', 'Soluzioni', 'Università', 'Assistenza', 'Community', 'Eventi', and 'La società'. The main content area is divided into sections: 'My Profile' (with links for Edit Profile, Change Password, and Communication Preferences), 'My Purchases' (with links for View Order History and View Quotes), and 'Trial Software' (with a link for Get Free Trial). Below these are three main cards: 'My Licenses' (with a 'View My Licenses' button highlighted in a red box), 'Downloads' (with a 'Download Products' button), and 'Trials' (with a 'Try Now' button). To the right, there is a 'My Activities' section with links for File Exchange, Service Requests, MATLAB Answers, and Bug Reports.

- quindi sul bottone “Associate License”:

The screenshot shows the 'Licenses' management page. At the top, there are tabs for 'Activation & Installation', 'Troubleshooting', 'Contact Support', and 'Help'. Below the tabs is a search bar with the text 'Licenses' and a search button labeled 'Associate License' (highlighted in a red box). Below the search bar is a table with the following columns: License No., Label, Option, Use, Activation Type, My Role, and Administrator. The table is currently empty.

- Inserire il codice di attivazione e procedere con l'associazione:

The screenshot shows the 'Associate My Account with a License' form. The title is 'Associate My Account with a License'. Below the title is a sub-header 'License Center'. The main heading is 'Associate My Account with a License'. Below this is a sub-heading 'Already using MATLAB? Associate to the license you are using and gain access to additional benefits.' The form contains a text input field labeled 'Activation Key or License Number*' and a green 'Associate License' button (highlighted in a red box). Below the input field is a note: 'Type 'license' at the MATLAB prompt to get your license number or get an activation key from your MATLAB administrator.' At the bottom, there is a footnote: '*Some licenses may require an Activation Key to associate.'
