

Come installare ed attivare la propria copia di MATLAB (Campus)

Creazione dell'account MathWorks

- Andare all'indirizzo <http://www.mathworks.com>
- Cliccare sul tab "Entra":

- Creare un nuovo account nella pagina di Login:

- inserire la propria email universitaria (nome.cognome@univr.it),
- selezionare la nazione e l'opzione "Teaching or research in school"

- completare l'immissione dei dati personali e scegliere una password.

Associazione della licenza

- Una volta loggati al Vostro MathWorks account cliccare su “View My Licenses”:

License Center

Associate My Account with a License

Already using MATLAB? Associate to the license you are using and gain access to additional benefits.

Activation Key or License Number*: **Associate License**

Type 'license' at the MATLAB prompt to get your [license number](#) or get an activation key from your MATLAB administrator.

**Some licenses may require an Activation Key to associate.*

Download del prodotto

- Sulla vostra "account page" potete cliccare su "Download products"

The screenshot shows the MathWorks Account page for user Bepi Sugaman. The page has a blue header with the user's name and a search bar. Below the header, there are sections for 'My Profile', 'My Purchases', and 'Already Have MATLAB?'. The 'My Licenses' section is highlighted, and the 'Download Products' button is circled in red. A red arrow points from the text above to this button.

- scaricare il file di installazione

The screenshot shows the MathWorks Downloads page. The page has a blue header with the word 'Downloads'. Below the header, there are two main sections: 'Download R2015b' and 'Download Earlier Release'. The 'Download R2015b' section has a large blue button labeled 'R2015b' with 'Download R2015b' written below it. A red arrow points from the text above to this button. The 'Download Earlier Release' section has a list of versions: R2015aSP1, R2015a, R2014b, R2014a, and R2013b.

Installazione

- Selezionare l'opzione "Log in with a MathWorks Account", leggere le avvertenze sulle limitazioni di licenza e cliccare "Next".

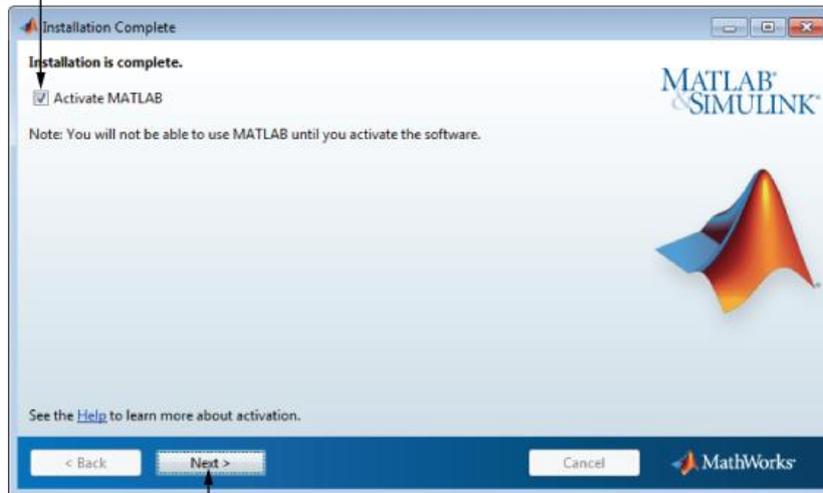

- Inserire il proprio account MathWorks:

- Selezionare "Typical installation", specificando la vostra cartella di installazione ed avviare la procedura.
- Alla fine del processo procedere con l'attivazione.

To activate your software, leave this selected.

Click **Next** to proceed to activation. If you cleared the check box, button label changes to **Finish**.

- Nel "Confirmation dialog box", confermate la vostra attivazione e cliccate "Activate".
- Ora potete cliccare "Finish" per completare il processo di attivazione.

Se doveste avere bisogno di aiuto durante l'installazione potrete aprire una "Service Request" cliccando su "Create new Request" direttamente sulla vostra pagina "MathWorks Account".

Compilare in "Technical Support" -> Installation request to receive direct assistance by MathWorks Installation Support Team.
