D MUNCHEN01:

Choosing courses

Erasmus students must choose **at least 50%** of their course modules in the field of study defined in the bilateral agreement. Students should take **the other 50%** of their course modules in **no more than two other fields of study** (example: 50% of courses in the Department of German Philology, 25% of courses in the Department of History and 25% of courses in the Department of Politics).

The Faculties of Business Administration, Medicine, Dentistry, Veterinary Medicine, Pharmacy do not accept students outside of their own inter-Institutional agreements. Likewise places cannot be guaranteed in Sociology and in English taught Politics courses.

Academic Year

The academic year consists of two semesters – winter and summer.

The months of March, August, and September are officially free of lectures. However, students may have examinations, additional courses, or papers to concern themselves with during these months. Students should ask their departmental coordinators about the examination schedule.

Course Information

The up-to-date course catalogue is available only two months before the beginning of each semester. Before the catalogue goes online students may consult the faculty websites where there is often general information about choosing courses etc.

Application and Registration

After completing the online application at our website, students should sign and print out the form and have it signed by the relevant coordinator at the home university. The application should then be sent with all supporting documents to the LMU International Office.

Registration of new Erasmus incoming students usually takes place in September/October and March/April respectively. Students are informed about registration dates in the official letter of acceptance (Zulassungsbescheid), which they will receive no later than 6 weeks after the application deadline.
