Accommodation

Foreign students might find accommodation either in private flats or in dormitories. **Please note, you should arrange your accommodation yourself by the time you arrive at PPCU.**

There are two possible ways to arrange accommodation:

- ✦ **Search for available flats and rooms yourself.** You can rent an apartment or a flat in Budapest. It costs approximately HUF 50,000-100,000 or 200-300 Euros per month + utilities. You can reduce your costs if you share your flat with other students. For more information please visit the following web-sites:
