F. Information

1. Grading systems of the institutions

University of Granada grading system

In the Spanish university system, each course unit is graded on a scale from 0 to 10 points, and each numerical grade corresponds to a qualitative grade as follows: Suspenso (Fail): 0- 4.9 - Aprobado (Pass): 5- 6.9 - Notable (Good): 7- 8.9 - Sobresaliente (Very Good): 9- 10 - Matrícula de Honor: A special mention for outstanding performance limited to a maximum of 5% of students registered in a given course unit group. When a student does not take the corresponding examination or final assessment, this is reflected as No Presentado (Absent). To pass a course unit, a student must receive a grade of at least 5 points out of 10.

Statistical distribution of grades according to the descriptions in the ECTS users' guide¹ will be available at <http://internacional.ugr.es/pages/conversion-calificaciones/conversion-de-calificaciones>. For mobility where Statistical distribution of grades is not available the University of Granada will apply the conversion table available at <http://internacional.ugr.es/pages/conversion-calificaciones/conversion-de-calificaciones>.
