## Grading system

---

Marks are quantified out of 20 (from 0 to 20)

Marks above 16 are rare for a subject area and they are exceptional for a year average.

To pass a course unit, a student must receive a mark of at least 10 out of 20

For examination, there is oral and written test ; it is the same exam and the same rules for exchange students and french students.

Exchange students will be marked the same way as french students

For exchange student, dictionary "French"/"home country" is allowed

For exceptional situation, it's possible to plan a distance examination

### Grading scale :

Grade ECTS	Local grade	
A+	20 – 19	Honours
A	18 – 17 – 16	Excellent
B	15	Very good
C	14 – 13	Good
D	12 – 11	Satisfactory
E	10	Sufficient
F	<10	Failure

**All our classes are taught in French**, so it is recommended to have level B1/B2 in French (no certification is required) to be able to follow courses and take the exam

Incoming students can follow classes at the "Center of French as Foreign language" of the University. These courses have to be paid by students.

- Intensive language courses : one or two weeks at the end of August / beginning of september
- Part-time classes opened for students of advanced level in French (CECR : B1 to C2)
