SATISFACTION QUESTIONNAIRE OF FIRST, SECOND, AND THIRD YEAR PHD STUDENTS

	Section A (all compu	llsory	questions)	Filte rs
1)	COURSE AND YEAR OF ENROLLMENT (from drop-down menu)			.9
	The PhD course offers various training activities:	Α	Yes	
2)	are they distinct from the training activities of the master's degree courses?	В	No	
3)	The PhD School and the other PhD courses offer various training activities (interdisciplinary, multidisciplinary, transdisciplinary): which of these additional training activities of the School did you attend? (more than one answer is possible)	A B	Interdisciplinary, multidisciplinary, and transdisciplinary modules (e.g. modules from other disciplines in other doctorates,) Language activities Statistical and IT activities	
		C D	Activities related to entrepreneurship, access to competitive funding, publication and valorisation/dissemination of research results Free choice activities (ethics and research, data analysis, specific topics, skills)	
	What arrangements are made for the ongoing	Α	Written examinations	
4)	assessment of the training activity during the	В	Oral examinations	
4)	PhD course? (More than one answer is possible)	С	Practical tests	
	NB: these are in itinere tests and not the test for the	D	None	
	change of year	Е	Other (specify)	
	What arrangements are made for monitoring research activity during the PhD course? (More than one answer is possible)	Α	Presentation of individual results related to research activity	
5)		В	Presentation of group results related to the research activity	
		С	Evaluation of the progress of thesis work at the transition year	
	Have you benefited or are you benefiting from	Α	Yes	
6)	the additional budget provided for by DM 226/2021 of at least 10% for research	В	No	
	activities?	В2	If not, why not?	
	Have you spent, are you spending or intend to spend periods of study or research abroad, consistent with your educational project?	Α	Yes	In this case, please please do not answer question 9 (Section A)
7)		В	No	In this case, please please do not answer question 8 (Section A) and questions 10 to 14 (Section B)
	Have you used, or are you using or planning to use the grant increase of up to 50% for mobility periods abroad?	Α	Yes (as a grant holder)	
8)		В	Yes (as a non-scholarship holder)	
o,		С	No (as a grant holder)	
		D	No (as a non-scholarship holder	
9)	Why did you not choose to spend periods of study or research abroad during your PhD? (More than one answer is possible)	А	The training opportunities offered in this programme are adequate and do not require further experience at foreign institutions	
		В	I did not receive authorisation by the Board

	SECTION B					
For each of the following statements, please indicate your level of agreement from 1 to 10, where 1 corresponds to 'not at all agree' and 10 to 'completely agree'.						
	giving reasons in an open field for ratings equal to or lower than 5					
	(reasoning not compulsory)					
Agri	at all eed agree + please do not answer					
	Formation of the PhD course					
1	The training activities are comprehensive and consistent with the main themes of the PhD course.					
2	The topics covered in the training activities are in-depth and up-to-date.					
3	Training activities are useful for the development of the doctoral thesis					
4	The workload required by structured training activities (courses, seminars, workshops) allows me to devote myself adequately to the research activity and the thesis.					
5	Ongoing and in-year evaluations (examinations, presentations, progress reports, reports on educational activity and research) are carried out effectively (so as to check the progress of research)					
6	Overall, I am satisfied with the training activities offered by the PhD Course.					
	Formation of the Doctoral School					
7	I am satisfied with the specific training activities offered by the PhD School (select the training activities attended from the list provided of all seminars offered by the School in the previous academic year and give a rating for each seminar)					
8	The training activities carried out by the PhD School foster the development of new perspectives for my research activity (cues, ideas, new paths)					
9	Overall, I am satisfied with the training activities offered by the PhD School.					
	Experience abroad					
10	During the PhD course I received adequate information and support from the lecturers of the Board about conducting experiences abroad					
11	The support received from the home university for the study or research period abroad is satisfactory.					
12	The support received from the host university/institution for the study or research period abroad is satisfactory.					
13	The financial support received for the study or research period abroad is satisfactory.					
14	Overall I am satisfied with the study or research period abroad					
	Experience at other National Research Institutions/Companies/Public Administration					
15	During the PhD course, I received adequate information and support from the lecturers of the Board about experiences at other institutions.					
16	The support received from the home university for the period of study or research at other institutions is satisfactory.					
17	The support received from the host institution for the period of study or research at other institutions is satisfactory.					
18	Overall, I am satisfied with the period of study or research at other Research Institutions/Companies/Public Administration.					
	Tutoring and supplementary teaching activities carried out					
19	The tutoring and supplementary teaching that I carry out is useful from an educational point of view.					
20	The workload required by the supplementary teaching and tutoring activities I carry out allows me to adequately devote myself to my training, research and thesis.					
	Facilities and tools					
21	Classrooms and spaces used for training activities are adequate (you can see, you can hear, you can find room).					
22	Personal space reserved for doctoral students is adequate (size, equipment, etc.).					
23	Library services are adequate for my needs.					
24	Computer equipment and connections are adequate for all activities.					
25	The equipment needed for research is adequate and accessible.					
26	I am satisfied with the support provided by the secretarial offices.					
	Supervisor					
27	I am satisfied with my supervisor with respect to:					
	Supporting scientific production
