## D. Additional requirements

Home institution has to provide the International Relations and Cooperation Office with the "Nomination of incoming Erasmus students selected" to study at the University of Málaga. Nomination is essential for acceptance.

UMA can only accept the number of students stipulated in the actual inter-institutional agreement.

UMA cannot accept Erasmus students from areas of study different from those stipulated in the actual inter-institutional agreement.

Some modules have limited places (especially in the Faculty of Languages and Humanities). Different options for modules/subjects should be considered.

No hard copies are required for application forms or learning agreements (online procedure for both documents).

The University of Málaga has the infrastructure to welcome students and staff with disabilities. Acceptance and further arrangements need to be agreed in advance.
