*Professor Corrado Barbui*

*Director of the Department of Neuroscience, Biomedicine and Movement Sciences*

*University of Verona, Verona, Italy*

*Dear Professor,*

*I, Branko Mihorko, PARAVOLLEY EUROPE President, ask you that Doctor Valentina Cavedon, researcher at your Department, would hold a seminar during the Sitting Volleyball Men's EuroLeague that will take place in June 2023 in Fermo (Italy) and the European Sitting Volleyball Championships for Men and Women that will take place in October 2023 in Caorle (Venice, Italy). The seminars will aim to disclose the results of two recent scientific publications about Sitting Volleyball ("Physique and performance in male sitting volleyball players: implications for classification and training" [DOI: 10.7717/peerj.14013] and "Predictors of Ball Velocity in the Sitting Volleyball Serve: A Causal Analysis" [DOI: 10.1055/a-2038-3333]) conducted by Professor Chiara Milanese, Doctor Valentina Cavedon and other researchers of your Department.*

*Furthermore, I kindly ask you the authorization to utilize the logo of your Department in advertising material related to the above-mentioned events.*

*Thank you in advance for the collaboration.*

*Best regards,*

  
*Branko Mihorko*  
*PVE President*
