1.9 In this section, that reports a summary of the candidate's enrolment, prospective Ph.D. students are required to enter some details concerning their university career. In particular, after selecting the item **"Standard enrolment"** from the drop-down list at the section **"Enrolment typology"**, the student has to fill in the second part of the form following the instructions reported below:

If you have already attended a University program in Italy, you have to enter the academic year of your first enrolment in the Italian University System (IUS). For example if you have a Master of Science degree awarded by an Italian University you need to write the academic year and the date of your enrolment in the master program.

On the contrary, if this is your first enrolment at an Italian University and you don't have a previous university career in Italy, please fill in the form as follows:

Academic Year of first enrolment in the IUS: **[insert the academic year of enrolment]**

Date of first enrolment in the IUS: **enter the current date**

University of first enrolment in the IUS: **select the option "Verona University" (or "Università degli studi di Verona") from the drop-down list.**

Then click on **"NEXT"** to proceed.

Should a student not pre-enrol within the settled deadline, the University will consider him/her as having given up his/her place (with or without scholarship), and this place will be assigned to the candidate that comes immediately after him/her on the ranking. This candidate will be informed by e-mail and within **five days** from receiving it, he/she will have to pre-enrol following the procedure described in the present document.

After completing the on-line pre-enrolment procedure, prospective Ph.D. students are required to print the enrolment form and send it, duly filled in and signed, following the instruction reported below.

Payment of the enrolment fees

Payments from Italy: Prospective PhD students are required to use the payment form attached to their Enrolment Form (PagoPA).

Payments from abroad must be made by a bank transfer to the account of the University of Verona.

Write to dottorati.ricerca@ateneo.univr.it to ask for bank account of the University of Verona.

ATTENTION, THE BANK TRANSFER COST HAS TO BE COVERED BY THE STUDENT.

On the payment form there is reported the correct amount of fees that the student is required to pay for the admission in his/her 1st year of attendance.

2nd phase - ENROLMENT

After the conclusion of the on-line pre-enrolment procedure, the Enrolment Form must be printed, properly signed and submitted within the same deadline, together with the documentation required, by e-mail exclusively to ufficio.protocollo@pec.univr.it

The enrolment form must be accompanied by the following documents:

- One set photocopy of PhD student's passport (only pages used) or another ID bearing applicant's photo and signature
- **DAF Form** (Self-declaration for the administration of contributions to INPS- National Institution for Social Security).
- Copy of Italian Permit to Stay (Permesso di Soggiorno) (if available);
- Request for the authorization of the Teaching Staff Committee of his/her program in order to perform/keep on performing an external activity of work (If applicable);
- Authorization issued by the organization which she /he belongs to concerning the paid/unpaid leave (If applicable).

Ph.D. Programs officially start on October 1st of current year.

The scholarship will be granted for the entire duration of the Doctoral program (three years) and the instalments will be monthly paid. The first instalment of October will be paid at the end of the same month **ONLY IF** within the deadline set for **September 25th**, students will be correctly enrolled in our programmes and submitted all the necessary documentation required. Otherwise at the end of November a two-month instalment will be paid.
