E soprattutto

The image shows a screenshot of an Excel spreadsheet with the 'Formato celle' (Format Cells) dialog box open. The spreadsheet has a table with the following data:

	Original sample in 2000
Sex	
Men	
Women	
Age	48.9
16-24	
25-44	
45-64	
65+ y	
Married	
Married	
Divorced	
Widowed	
Never	
No. re	

The 'Formato celle' dialog box is open, showing the 'Numero' (Number) tab. The 'Categoria:' (Category) list is expanded, and 'Testo' (Text) is selected. The 'Esempio' (Example) field shows '48.9'. A note below the example states: 'Le celle di formato testo sono trattate come testo anche quando nella cella c'è un numero. La cella viene visualizzata esattamente come è immessa.' (Text-format cells are treated as text even when the cell contains a number. The cell is displayed exactly as entered.)

LA FORMATTAZIONE AUTOMATICA DI UNA TABELLA

The screenshot shows the Microsoft Excel interface with the 'Formattazione automatica' (Automatic Formatting) dialog box open. A red circle highlights the 'Formato' menu in the ribbon, with an arrow pointing to the dialog box. The dialog box displays six table templates:

- Semplice**: A simple table with columns 'gen', 'feb', 'mar', and 'Totale'. Rows include 'Est', 'Ovest', 'Sud', and 'Totale'.
- Classico 1**: A classic table with columns 'gen', 'feb', 'mar', and 'Totale'. Rows include 'Est', 'Ovest', 'Sud', and 'Totale'.
- Classico 2**: A classic table with columns 'gen', 'feb', 'mar', and 'Totale'. Rows include 'Est', 'Ovest', 'Sud', and 'Totale'.
- Classico 3**: A classic table with columns 'gen', 'feb', 'mar', and 'Totale'. Rows include 'Est', 'Ovest', 'Sud', and 'Totale'.
- Contabilità 1**: A table with columns 'gen', 'feb', 'mar', and 'Totale'. Rows include 'Est', 'Ovest', 'Sud', and 'Totale', with currency symbols (€) added to the data cells.
- Contabilità 2**: A table with columns 'gen', 'feb', 'mar', and 'Totale'. Rows include 'Est', 'Ovest', 'Sud', and 'Totale', with currency symbols (€) added to the data cells.

The background shows a spreadsheet with a selected range of cells (B3:H7) and a taskbar at the bottom with various application icons.

LA FORMATTAZIONE AUTOMATICA DI UNA TABELLA

The screenshot shows the Microsoft Excel interface with the 'Formattazione automatica' (Automatic Formatting) dialog box open. The dialog box displays six different formatting options for a table, arranged in a 3x2 grid. A yellow arrow points to the 'Elenco 1' option, which is highlighted with a red circle. The background shows a table with columns labeled 'gen', 'feb', 'mar', and 'Totale', and rows labeled 'Est', 'Ovest', 'Sud', and 'Totale'. The table data is as follows:

	gen	feb	mar	Totale
Est	7	7	5	19
Ovest	6	4	7	17
Sud	8	7	9	24
Totale	21	18	21	60

The 'Formattazione automatica' dialog box contains the following options:

- A colori 1: Table with green and blue background colors.
- A colori 2: Table with red and grey background colors.
- A colori 3: Table with black and pink background colors.
- Elenco 1: Table with yellow background colors (highlighted by a red circle and a yellow arrow).
- Elenco 2: Table with green and white background colors.
- Elenco 3: Table with blue and white background colors.

The dialog box also includes 'OK', 'Annulla', and 'Opzioni...' buttons.
