

# CAMPAGNARI RACHELE

**Date of birth:** 23/08/1994

**E-mail:** rachele.campagnari@univr.it

## EDUCATION

---

**2017 – 2019**

**Master's Degree in  
Molecular and Medical Biotechnology**

**University of Verona (Italy)**

**Grade :** 110/110 e lode

**Thesis title :** *Antitumor activity of Onconase in sensitive and BRAF-inhibitor resistant subpopulations of A375 melanoma cells.*

**2014 - 2017**

**Bachelor's degree in Biomolecular Sciences and Tecnology**

**University of Trento (Italy)**

**Grade :** 104/110

**Thesis title :** *Generating a DNA Construct for SIRT6 Over-expression in Nothobranchius furzeri: towards a new insight into aging with a new model organism.*

**2013**

**Scientific High School Diploma**

**Liceo scientifico statale Belfiore – Mantova (Italy)**

## RESEARCH ACTIVITY

---

**2019 – present**

**PhD course in Biomolecular Medicine (Biochemistry)**  
Biological chemistry division - University of Verona (Italy)  
**Supervisor:** Prof.ssa Marta Vittoria Menegazzi

**2018-2019 (9months)**

**Internship**  
Biological chemistry division - University of Verona (Italy)

**2018 (3 months)**

**Internship**  
In vitro fertilization laboratory  
Azienda socio sanitaria territoriale di Mantova (Italy)

**2017 (5 months)**

**Internship**  
Gene expression laboratory- CIBIO - University of Trento (Italy)

## PUBLICATIONS

---

A. Raineri, S. Fasoli, R. Campagnari, G. Gotte & M. Menegazzi (2019), **Onconase restores cytotoxicity in Dabrafenib-resistant A375 human melanoma cells and affects cell migration, invasion and colony formation capability.** *International journal of molecular sciences*, Vol.20, n. 5980, pp. 1-19

## LANGUAGES

---

**English: B2**      **06/02/2018**      Certificate by the Language centre of the University of Verona  
**25/07/2012**      First Certificate in English - University of Cambridge
