## **QUALITATIVE RESEARCH EXPERIENCES IN TEACHER EDUCATION (national and international)**

### MAIN AREAS OF RESEARCH

Education in child education services from 0 to 6 years, with reference to:

- The design approach to education
- Care and education
- Education and nature
- Promotion of the development of creative processes in childhood
- Paths of construction of citizenship practices
- Quality in childcare services

Since 2021 (ongoing)

SCHOOLS OF CARING, a qualitative research project on care in pre-school settings, in particular in the 3-5 years old age group. The aim of doctoral research is to develop, through a participatory approach, an educational curriculum oriented towards the paradigms of care. Tutor Prof. Roberta Silva, Scientific Supervisor Prof.ssa Luigina Mortari, University of Verona.

2020-22

Collaboration as pedagogue of the educational services of Correggio, together with the staff of the District of Correggio, to the research-training "AT THE HEART OF THE EDUCATIONAL RELATIONSHIP. Strengthening knowledge and awareness" curated by the Eidos research group of the Catholic University of Milan, coordinated by Prof. Vanna Iori and realized by Prof. Daniele Bruzzone and Prof. Elisabetta Musi together with Dr.ssa Antonella Arioli and Alessandra Augelli.

2023-24

Participation as a trainer in the research-training path FROM OBSERVATION TO DESIGN: TO REALIZE PROJECT PATHS STARTING FROM LISTENING TO CHILDREN, promoted by Fism of Bologna and realized in collaboration with 4 educational 0-6 years centers of the territory of Bologna.

2017-2023

COORDINATION AND IMPLEMENTATION OF A PATH OF RESEARCH-TRAINING ON THE SENSE OF LIVING PLACES BY CHILDREN aimed at investigating the ways in which children explore the living environment, build a sense of belonging and act on the first skills of citizenship. The project involved, in a first phase, 8 educational services of the city of Correggio and, in the second, 17 educational structures of the integrated system 0-6 at District level. The results of the researches are visible in two volumes: "Correggio come è - guida della città. Children narrate the city of Correggio" and "Re-Inhabit the places. Ecological textures in the field of education from 0 to 6", as well as in magazine articles and book chapters, and through the

realization of two public seminars (January 2019 and October 2023).

2019-2021

Creative collaborations. Participation as a pedagogist of the Municipality of Correggio, together with the staff of the preschools of Correggio, the Path of qualitative research on the promotion of CREATIVE THINKING IN CHILDHOOD in collaboration with Prof Antonio Gariboldi, Unimore and Prof. Nicole Legget, School of Education, University of Newcastle (Australia)

2015-2019

Co-construction of a research-training program in collaboration with Prof Luigina Mortari and the participation of other trainers on the theme of ECOLOGICAL EDUCATION and the relationship between EDUCATION AND NATURE. The project involved 15 kindergartens and 5 preschools in the province of Reggio Emilia. The results of the project are published in the volume "Con parole di foglie e fiori. Bambini nella natura", volume that opened the series Education and Nature, directed by N. Antonietti, F. Bertolino, M. Guerra and M. Schenetti.

2017-2018

Collaboration as pedagogist of Correggio to a research-training path "DIALOGUES BETWEEN NATURE AND SCHOOL", promoted by Prof Maja Antonietti of UNIMORE. Participation in a series of meetings of comparison together with some educational realities of the territory, collaboration in the construction of the seminar on the restitution of results and intervention within the same seminar on the competence of the educator/ teacher in nature, UNIMORE, 6th April 2018.

2010-2013

As a pedagogist of the Municipality of Scandiano, Co-Projectist and member of the coordination and research staff of the COMENIUS EUROPEAN PROJECT "CREANET": a European forum for research, discussion and exchange of good practice on CREATIVITY IN PRE-SCHOOL EDUCATION in a multidisciplinary and trans-institutional perspective. The project involved 11 partners of which Scandiano was the promoter, 6 Italian and European universities, local authorities and educational services. Participation in seminars and conferences in Italy and Europe; management and participation in working groups in Italy and Europe, participation in coordination and research staff with partners from the different countries involved; speakers at national and European seminars, organisation and promotion of events at national and European level.
