NUMBER OF COURSES PER SEMESTER	International students must take at least 180 hours of classes.
GRADING SYSTEM	10-point scale, 7 points being the minimum score required for approval, and 6 points after a final exam. Minimum attendance of 75% is required. <i>"Article 157. 	<i>§ 1 The student who has obtained an attendance equal to or greater than 75% and an average lower than 7.0 (seven) and equal to or greater than 4.0 (four) will be eligible to take the exam.</i> <i>§ 2 The averages are calculated to two decimal points without rounding.</i> <i>§ 3 The student who does not achieve the results set out in sections I and II of the caput of this article will fail the course."</i>
