Welcome to NTU

Nottingham Trent University (NTU) is recognised as one of the UK's truly outstanding universities, with a commitment to student satisfaction, graduate employment, and teaching quality.

Teaching at NTU is rated among the best available in the UK and we offer an excellent student experience. 86% of students would recommend studying at NTU.

NTU has been named the Times and Sunday Times Modern University of the Year for 2023

Nottingham is a great student city. There are over 75,000 students living here from all over the world. Over 35,000 of these are studying at NTU. Nottingham itself has everything a university city needs – award-winning nightlife, culture, and sports - and what's more, it's extremely budget-friendly. It's a welcoming city and a great place to make new friends for life.

Located in the heart of the UK, Nottingham is an hour from Birmingham and just two hours from London, Manchester, Leeds and Liverpool. With East Midlands Airport just outside the city, you can easily reach other UK and European destinations.

SCHOOL INFORMATION

City Campus

The City Campus is home to around 20,000 students studying Business, Law, Social Sciences, Architecture, Art and Design, and Journalism. We also have cafés, an art gallery and our Students' Union building, the heart of student social life.

The iconic Newton building is a key feature in the city's skyline as is the Grade II listed Arkwright Building built in 1881. From City campus students can walk to both the Market Square and the Victoria Centre, Nottingham's main shopping hub, in less than five minutes.

- Nottingham Business School
- Nottingham Law School
- Nottingham School of Art & Design
- School of Social Sciences
- School of Architecture, Design and the Built Environment

Clifton Campus

- School of Arts and Humanities
- School of Science and Technology

This chic, stylish and community-driven campus provides everything you could need in one place. As well as teaching and learning facilities, we have student accommodation, sports facilities, cafés, and shops.

Located just four miles south of Nottingham City Centre, the campus offers the best of both worlds: a self-contained community with easy access to everything Nottingham has to offer.

Over £20 million has been invested in the Clifton Campus to develop cutting-edge facilities in disciplines such as engineering, healthcare and sport. The new Pavilion building provides a vibrant heart to the campus while the Sports Centre offers a gym, sports halls, pitches and an indoor tennis centre.

Brackenhurst Campus

From the stunning countryside to the variety of animals that call Brackenhurst home, this is a campus with a difference. It's a truly special slice of the natural world with a thriving learning community all just a short bus ride away from the hustle and bustle of the city.

As a working farm and a wildlife haven, our Brackenhurst countryside estate is fully equipped with outstanding facilities – from our brand-new Lyth building at the heart of campus to our dedicated veterinary nursing centre, animal unit, food laboratory and more.

- School of Animal, Rural and Environmental Sciences
