LENGTH OF STUDY

One semester/One full year (two semesters)
- One semester: Fall semester (Sept - Dec) or Spring (Jan - April)

¹ Please note that most courses offered to international exchange students are repeated each semester. Therefore, **it will not be possible for students to enroll in a full academic load (30 ECTS) during 2 consecutive semesters.**

ACADEMIC LOAD - GRADING SYSTEM

A full-time academic load is **60 ECTS** per academic year, so usually **30 ECTS / semester**. Each sending institution may have different requirements for study abroad and students should check with their academic advisor.

EBS requirements: minimum of **12 ECTS** /maximum of **32 ECTS** per semester.

In the French academic system, grades range from 0 (lowest) to 20 (highest). The minimum passing grade is 10/20 and the highest grade, 20/20, is almost never awarded.

ECTS System	ECTS scale	EBS	US scale	GPA
EXCELLENT - outstanding performance with only minor errors	A	17 - 20	A+	4
VERY GOOD - above the average standard but with some errors	B	15 - 16	A	3,7
GOOD - generally sound work with a number of notable errors	C	13 - 14	B+	3,3
SATISFACTORY - fair but with significant shortcomings	D	11 - 12	B	3
SUFFICIENT - performance meets the minimum criteria	E	10	C	2
FAIL - some more work required before the credit can be awarded	FX	9 8	C- D	1,7 1

This chart is given as an **indication** only and is currently under academic review. **Home institutions are responsible for transferring credits and converting grades** if they wish to do so.

COURSE SELECTION

All **business courses** offered to exchange students are in English. The course list will be sent by the international office as soon as it is available. **EBS curriculum is currently under review.** The academic offer will include mostly 3rd year courses and may also include some 4th year courses (Master 1) **(TBC)**.

French as a Foreign Language courses are offered during each semester and students are strongly encouraged to enroll.

Students should check academic requirements regarding course selection with their home institution.

TRANSCRIPT OF RECORDS

Transcript of Records will be available in each student's personal profile on EBS intranet (once all grades have been processed by the Registrar's Office). If needed, the International Office can email the final transcript to the home institution's international office.

Transcripts are usually available 5 weeks after final exams.

INSURANCE

Before arrival, all students must provide proof of coverage for:

- Medical / hospitalization

For EU students: European Health Insurance Card can provide proof of basic coverage.

- Repatriation

- Personal liability (requirement in French education system)

Each student is responsible for obtaining proper coverage.

N.B.: Students enrolled for one academic year should register (free of charges) with the French social security system for basic coverage (more details on Campus France [here](#)).

It is each student's responsibility to obtain all updated details about their visa application. EBS will provide an official **Admission Letter** to each student once their complete application has been reviewed and accepted. HOUSING

EBS's new campus is right by the [CIUP](#) (Cité Internationale Universitaire de Paris). While each residence often gives priority to advanced degree-seeking students, some exchange students might also find semester accommodation options there.
