Dear Partners

Nottingham Trent
University

A warm hello from Nottingham Trent University!

We'd like to share with you information about our nomination process, our new Sharepoint information hub, and our amazing Global Summer School!

Nomination and Application Deadlines

We invite you to nominate your students for the full-year or autumn semester 2025 through our [new Sharepoint](#) information hub, which is now open! The deadline for nominations is the 1st April 2025.

Applications:

Within three working days of having received your nominations, we will send an e-mail directly to the nominated students. This e-mail will contain a link to the online application form as well as further information regarding the application process. If the student does not receive an email from us, after checking their spam folder, please contact us. The application form is also open now, and the application deadline is the **1st May 2025**.

Result of application:

The applications will be processed as soon as possible after the application deadline, after which your student will receive a letter with information on the outcome, and a description of necessary next steps. Students should not expect to hear a decision on their application before **15th May 2025**.

**Please note application and nomination dates may vary for individual schools.*

Our new Sharepoint Information Hub!

Please check out our new SharePoint site for Study Abroad at NTU. Here you can nominate your students for exchange at NTU and access useful information, such as:

- Module handbook
- Fact sheets
- NTU Global Partner resources
- Information on Global Summer School 2025
- And other helpful links

Social Programme and support

Your students will receive a warm welcome at NTU with our dedicated Welcome and Meet and Greet sessions. Welcome sessions were held this week for students who have joined us for Semester Two in our amazing Global Lounges. These will be a Hub for your students! We are also organising 'Hangouts' to enable our incoming exchange students to meet each other, and our SEBs!

Students enjoyed a British 'Afternoon Tea' of scones, jam and cream with a cup of tea!

Online information session for students

The NTU Global Study Exchange Team are hosting an online information session for any students who are interested in joining us for a year or a semester in the 2025/26 academic year. The session will take place on Wednesday 5th March at 4 – 5pm UK time – to join this session students can click this link - [Join the meeting now](#)

Is a Semester too long? Join NTU's Global Summer School

In July 2024 we welcomed 154 students from 21 countries to our Global Summer School - we are aiming for 2025 to be our biggest summer school yet as students can now join for two or four weeks!

Dates are:

- Block One = 7 to 18 July
- Block Two = 21 July to 1 August.

We are offering 21 credit bearing two-week courses, designed especially for international students, from a wide range of subject areas, and on-campus student accommodation. Add to this our exciting social and cultural programme and students are headed to a summer full of amazing memories!

We will host an [online information session](#) on Microsoft Teams on Thursday 27 February at 3 pm (UK time) for students who'd like to learn more!
