Major & Module Registration

Level of study	Undergraduate and Postgraduate
Available areas of study	Please see relevant departments on our Study Abroad Module Catalogue: https://www.kcl.ac.uk/abroad/module-options
Semester module load	Undergraduate: 4 x 15 credit modules Postgraduate: 3 x 20 credit modules
Restrictions	<ul style="list-style-type: none"> - Only modules that are listed on the Study Abroad Module Catalogue are available to Study Abroad students. Not all modules at King's College London are open to Study Abroad students - Each King's module has a code attached to it, which begins with a number - 4, 5, 6 or 7: <ul style="list-style-type: none"> o 4 is a first-year undergraduate module (introductory) - modules at this level are generally open to everyone but some subjects, such as the Sciences, Music and Informatics, require relevant and sufficient background even at introductory level o 5 is a second-year undergraduate module (intermediate) - modules at this level require students to have already taken 3-4+ modules in this subject area at their home institution o 6 is a final year undergraduate module (advanced) - modules at this level require students to have already taken 6-7+ modules in this subject area at their home institution o Modules with codes beginning with 7 are for postgraduate students only - Students must also ensure that they meet all of the prerequisites listed on the module catalogue in order to be eligible to take intermediate and advanced modules - If students request to take modules from any of the following departments, we will need to send their transcript and personal statement to the relevant academics in that department as only they can approve them for registration on to such classes: Biomedical Engineering, Biosciences, Chemistry, Informatics, Mathematics, Music, Physics, Nutrition
