Orientation Week

February 5th – 11th, 20206
or February 12th – 18th, 2026

In the week before the official semester start, the International Office will organize an orientation week for all new incoming exchange students to introduce them to their academic stay at UAS Campus Vienna and help them get settled in Vienna.

All our incomings are also invited to join for an Austrian welcome dinner on the first evening of the orientation week.

Buddy network

Our incomings can apply for a buddy who will provide assistance before and during their stay in Vienna.

German language classes

During summer term 2026, UAS Campus Vienna is offering German courses for different levels (A1-C1). The courses are free of charge for Incoming students.
