GENERAL INFORMATION

Haliç University is one of the first foundation universities of Turkey which was established in 1998. Along with its 8 Faculties, a Vocational School, Conservatory and Graduate Institute; our University is a leading foundation university of Turkey, which pursues its education and research mission on a wide spectrum including health, engineering, architecture, sports and art. By the means of the new education model that we have developed, we aim to have qualified graduates who prioritize research and initiative, achieve cross-border successes and have gained spiritual satisfaction besides professional satisfaction. Centering upon design and creativity, our University has a priority to raise eligible individuals, who can deliver solutions by looking from different perspectives. With this priority in mind, our University takes its place in international rankings thanks to the effect of its 18.000 graduates on both Turkey and the world.

RESIDENCE PERMIT

Students studying in Türkiye for longer than 3 months are obliged to obtain a residence permit as per the Foreigners' Protection and Immigration Laws of the Turkish Republic. We will make your online Residence Permit application upon your arrival in Türkiye therefore please do not make any online appointment/application prior to your arrival. Student residence permit applications must be individual. Therefore, you cannot/should not look for a private agency dealing with those applications. Only Erasmus Office can assist you in this process.

HALIÇ ERASMUS CLUB

As Halic Erasmus Club, they have 140+ members and they grow each day. We run activities and events for members throughout the year. It's your chance to get to know a little more about Istanbul and some of its traditions, as well as fellow Erasmus and exchange students.

For further information, don't hesitate to contact them at
